EXPLANATORY STATEMENT

(Pursuant to Section 102 of the Companies Act, 2013)

APPROVAL FOR BUYBACK OF EQUITY SHARES

With an objective of enhancing overall shareholder value, optimizing returns to shareholders and optimizing the capital structure of the Company through return of surplus cash the Board at its meeting held on April 06, 2018 has approved and recommended the proposal of buyback of Equity Shares as contained in the Resolution in the Notice. As per the relevant and other applicable provisions of the Act and Buyback Regulations, this Explanatory Statement contains relevant and material information to enable the members holding Equity Shares of the Company to consider and approve the Special Resolution for the Buyback of the Company's Equity Shares.

Requisite details relating to the Buyback are given below:

(a) Necessity for the Buyback

Share buyback is the acquisition by a company of its own shares. Considering the current cash balance of the company, the healthy cash flows that the Company has been able to consistently generate, the future projected cash flows of the Company and the anticipated funds required for capital expenditure and working capital to meet the expected future growth of the company, the Board of the Company is of the view that the proposed Buyback will help the Company achieve the following objectives: (a) Optimize returns to shareholders; (b) Enhance overall shareholders value and (c) Optimize the capital structure. The above objectives will be achieved by returning part of surplus cash back to Shareholders through the Buyback process. This may lead to reduction in outstanding Shares, improvement in Earnings per Share and enhanced return on invested capital. The Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations. The objective is to return surplus cash to the members holding Equity Shares of the Company. The Board at its meeting held on April 06, 2018, considered the accumulated free reserves as well as the cash liquidity reflected in the audited accounts as on March 31, 2017 and considering these, the Board decided to allocate a sum of Rs.235,20,00,000 (Rupees Two Hundred and Thirty Five Crores and Twenty Lakhs only) excluding transaction costs viz. brokerage, applicable taxes such as securities transaction tax, goods and service tax, stamp duty, etc. for distributing to the members holding Equity Shares of the Company through the Buyback.

After considering several factors and benefits to the members holding Equity Shares of the Company, the Board decided to recommend Buyback of not exceeding 11,20,000 Equity Shares (representing 2.4% of the total number of

Equity Shares in the paid-up share capital of the Company) at a price of Rs.2,100 (Rupees Two Thousand One Hundred only) per Equity Share for an aggregate consideration of Rs.235,20,00,000 (Rupees Two Hundred and Thirty Five Crores and Twenty Lakhs only). Buyback is being undertaken, inter-alia, for the following reasons:

- (i) The Buyback will help the Company to return surplus cash to its members holding Equity Shares broadly in proportion to their shareholding, thereby, enhancing the overall return to members:
- (ii) The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve allocation of number of shares as per their entitlement or 15% of the number of shares to be bought back whichever is higher, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder" as per Regulation 2(1)(la) of the Buyback Regulations;
- (iii) The Buyback may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value;
- (iv) The Buyback gives an option to the members holding Equity Shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback offer, without additional investment.

(b) Maximum number of securities that the company proposes to Buyback

The Company proposes to Buyback not exceeding 11,20,000 (Eleven Lakh Twenty Thousand only) Equity Shares of the Company.

(c) Buyback Price and basis of determining the price of the Buyback

The Equity Shares of the Company are proposed to be bought back at a price of Rs.2,100 (Rupees Two Thousand One Hundred only) per share ("Buyback Offer Price"). The Buyback Offer Price has been arrived at after considering various factors including, but not limited to the trends in the volume weighted average prices of the Equity Shares on the BSE and the NSE where the Equity Shares are listed, the net

worth of the Company, price earnings ratio, impact on other financial parameters and the possible impact of Buyback on the earnings per Share.

The Buyback Offer Price represents:

- (i) Premium of 11.78% and 12.08% volume weighted average market price of the Equity Shares on BSE and on NSE, respectively, during the three months preceding the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buyback.
- (ii) Premium of 15.51% and 15.34% over the volume weighted average market price of the Equity Shares on BSE and on NSE, respectively, for two weeks preceding the date of intimation to the Stock Exchanges for the Board Meeting to consider the proposal of the Buyback.

The Company confirms that as required under Section 68(2) (d) of the Act, the ratio of the aggregate of secured and unsecured debts owed by the Company will be not more than twice the paid-up capital and free reserves after the Buyback.

(d) Maximum amount required for Buyback, its percentage of the total paid up Capital and free reserves and Source of funds from which Buyback would be financed

The maximum amount required for Buyback will not exceed Rs.235,20,00,000 (Rupees Two Hundred and Thirty Five Crores and Twenty Lakhs Only) excluding transaction costs viz. brokerage, applicable taxes such as securities transaction tax, goods and services tax, stamp duty, etc., being 24.71 % of fully paid up share capital and free reserves which is not exceeding 25% of the aggregate of the fully paid up share capital and free reserves of the Company as on March 31, 2017.

The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company including securities premium account or such other source as may be permitted by the Buyback Regulations or the Act. The funds used will not exceed 25% of aggregate of the paid-up share capital and free reserves of the Company as on March 31, 2017.

The Company shall transfer from its free reserves a sum equal to the nominal value of the Equity Shares bought back through the Buyback to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its subsequent audited financial statement.

The funds borrowed, if any, from Banks and Financial Institutions will not be used for the Buyback.

(e) Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis from all the members holding Equity Shares of the Company through the "tender offer" route, as prescribed under the Buyback Regulations, to the extent permissible, as prescribed under the "Mechanism for acquisition of shares through Stock Exchange" notified by SEBI vide circular CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015. The Buyback will be implemented in accordance with the Act and the Share Capital Rules to the extent applicable, and the Buyback Regulations and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date (the "**Record Date**") for determining the names of the members holding Equity Shares of the Company who will be eligible to participate in the Buyback.

In due course, each shareholder as on the Record Date will receive a letter of offer along with a tender / offer form indicating the entitlement of the shareholder for participating in the Buyback.

The Equity Shares to be bought back as a part of the Buyback is divided in two categories:

- (i) Reserved category for small shareholders; and
- (ii) General category for all other shareholders

As defined in Regulation 2(1)(la) of the Buyback Regulations, a "small shareholder" is a shareholder who holds Equity Shares having market value, on the basis of closing price on Stock Exchanges having highest trading volume as on Record Date, of not more than Rs. 2,00,000/- (Rupees Two Lakhs Only).

In accordance with the proviso to Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.

Based on the holding on the Record Date, the Company will determine the entitlement of each shareholder to tender their shares in the Buyback. This entitlement for each shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such shareholder belongs.

Shareholders' participation in Buyback will be voluntary. Members holding Equity Shares of the Company may also accept a part of their entitlement.
